IOM – UN Migration

Maputo

Mozambique

Subject: Programme Support Unit Associate

Dear Sir/Madam

I am writing to express my strong interest in the Programme Support Unit Associate position at IOM Mozambique. With professional experience as a Business Analyst at Deloitte, I have developed strong skills in data analysis, reporting, and project coordination, which I am eager to contribute to IOM's mission of delivering impactful and well-managed programmes.

In my current role at Deloitte, I support project and operational activities by gathering, analyzing, and structuring data to inform decision-making. I regularly produce detailed monthly, quarterly, and semi-annual reports, consolidating financial and operational information to ensure transparency and accuracy. This experience has strengthened my ability to manage complex information and translate it into clear, actionable insights.

I have also been closely involved in monitoring financial execution and procurement processes, ensuring alignment between budgets, plans, and actual expenditures. By identifying discrepancies and proposing corrective actions, I have contributed to improving financial compliance and accountability, an area that aligns strongly with the requirements of this role.

Additionally, I have experience preparing and standardizing documentation, including the development of a Financial Execution and Procurement Manual, which improved internal processes and consistency. My work often involves coordinating with multiple stakeholders, ensuring effective communication, and supporting the timely delivery of project outputs, which I understand is key for ensuring coherence across programme activities.

I am particularly motivated by IOM's mandate and its impact in supporting migration management and humanitarian efforts. I am enthusiastic about the opportunity to contribute to

programme support, reporting, and coordination activities that make a tangible difference in people's lives.

Thank you for considering my application. I would welcome the opportunity to further discuss how my experience and skills align with the needs of your team.

Kind regards,

Délcio Manuel
