To:

Midal

Beluluane Industrial Park, in Matola, Mozambique

Dear Sirs,

The undersigned company hereby submits its Financial Proposal for the supply and implementation of the project entitled **"DIAVH-PPC12J113 Form Integration, Data Saving to Server, and Intranet Store Request Page"**, in accordance with the requirements set forth in the Scope of Work and the tender documentation.

This Financial Proposal covers all services necessary for the full execution of the project, including engineering, software development, installation, system integration, testing, commissioning, technical documentation, and training, as detailed in our Technical Proposal.

The total value of our Financial Proposal is MZN 225 000,00 (two hundred and twenty-five thousand meticals)

The above amount includes all costs related to project execution, including professional services, operational expenses, required materials, and licensing (where applicable).

Our Financial Proposal shall remain valid for a period of ninety (90) days from the date of submission and shall be binding upon us during this period, subject only to any modifications resulting from contract negotiations.

Yours faithfully,

Délcio Manuel
